SYSTEM

Flat mopping system with pockets, to be used either pre-soaked, soaked on demand with soaking station or with handles with tank
Ideal for any surface and for particle dirt thanks to the high dirt collection power of yarn and microfibre

GREEN BOX

DECITEX of the fibres
Microfibre: 0,58 DTX

Efficient: microfibre requires less chemical to remove dirt and bacteria, reducing water and chemical consumption

Code 00000476 is classified as having a low release of microplastics during washing (test conducted according to ISO 23231 by a specialised external laboratory)

Analysis

The analysis of the mechanical action of the Microriccio mop revealed a removal of Coronavirus 229E from steel surfaces of 99.9% (test conducted by a specialised external laboratory)

The analysis of code 00000476 revealed a removal of up to 98.79% of the bacteria present on the surface (test conducted by a specialised external laboratory)

Advantages

- **Long durability:** pocket mops last twice as much as strap tape mops
- **Easy:** mop changing is easy and quickly
- **Highest hygiene:** microfibre penetrates into the microporosity of the floor, collecting dirt and more than 95% of bacteria
- **Touch-free:** the detaching system avoids any contact with the dirt

Material

Yarn: microfibre (100% polyester) - Support: polyester

Packaging: [click here to see the environmental labelling of packaging](#)

Washing conditions

Guidelines for proper fibre maintenance

Follow the washing instructions (temperatures and dosage) on the laundry detergent packaging
Perform a pre-wash in cold water without laundry detergent to remove any residual product used during cleaning operations

Recommended use of professional textile laundry detergent

Do not use fabric softener

Do not use laundry detergents with Ph > 11

The use of laundry nets is recommended to speed up and make laundry operations more hygienic

Specific mop instructions

Washing temperature max 90° C, recommended 60°

Bleaching possible, do not use chlorine

Tumble dry or in a dryer possible with low program
